To whom it may concern,

Samantha Watson has been employed as Chief Stewardess/ Purser (Temp Position) on board M/Y Serenity which is a new and busy 55 meter Heesen build. Samantha joined at a very busy time just two weeks before the vessel sailed from IMS yard in Toulon to Turkey for the owners first use of the vessel.

Samantha Watson has exceeded my expectations of what was possible to organise and have the vessel ready for the summer season. She is an extremely hard worker, natural leader, organiser and she has been so professional to her last days on board it has to be commended.

I would without any doubt of hesitation recommend her to a Chief Stewardess/Purser position on board a large vessel. She is wished the very best from every one of the Serenity crew where she has bonded quickly and I hope to have the pleasure of working with her again in the future.

Please do not hesitate to contact me for any further reference.

Kind regards

Rob O'Donoghue
